BAR HILL COMMUNITY PRIMARY SCHOOL

Recently a representative of a well known estate agents with interests in land south of the city condemned Bar Hill as a failure - a village without any community spirit! How wrong he is. If his proposed new village has a quarter of the friendliness and helpfulness of this village he will be doing well. To say such a thing is to be less than kind to all the people who voluntarily help with Toddlers Groups, Toy Library, Playgroups, Brownies, Guides, Red Cross, Cubs, Scouts, Youth Badminton, Youth Table Tennis, Youth Karate, Gym Clubs, Over 60's - I could go on and on and on. Everything from fattening the brain to slimming the body goes on in this village. If you want a hobby or interest served you will find it here and, if it's not, facilities can be arranged to make it happen This is one of the friendliest communities I have ever come across and if no-one has spoken to you perhaps it is because you haven't smiled at them.

In the effort to provide occasions for you all - or some of you at least - to get together we have a talk on *Alternative Medicine' on WEDNESDAY 12th MARCH at 7.30pm and the Red Cross Society are giving a talk on *FIRST AID IN THE HOME on WEDNESDAY 19th MARCH at 7.30pm. Both these events will take place at your community school. I do hope I may see some of you then.

Bar Hill is not only involved in its own community but also reaches out into the big world. On the 8th MARCH we are holding a *GERMAN DAY' for all those who would like a chance to practice their German and to sample German food and films. This could be a great opportunity for those who will be hosting the Emmertsgrund group who will be visiting the village from the 28th March to 5th April. The county's twinned area - Kries Viersen - will also be paying a visit to the area from the 15th - 19th March. If you are at all interested in the German Day please get in touch with me before the 4th March as I need to know numbers by then for catering.

It seems a little early to wish you all a Happy Easter but we shall celebrate this feast before the next edition of the Bar Hill News is out so perhaps I am not too previous! I hope that the first Bank Holiday of the year is dry and at least warmish so that you have a good chance to get out and about if its only to set the potatoes on Good Friday!.

TO ALL PARENTS OF CHILDREN UNDER FIVE

To help with the administration of New Entrants to school it is IMPORTANT that you register your child at the school as early as possible after the child is born. If you move away from the area before your child reaches school age it will not take a minute to cancel its registration. With a growing school roll in this village it is imperative that the school can forcast its potential numbers as far into the future as possible to enable accomodation to be made available.

If you haven't enrolled your child into school yet please do so now

DISTRICT COUNCIL NOTES

The finance committee agreed to set the District Council rate at 13p in the £. The General Purposes Committee allocated a grant of £200 towards a feasibility study for the proposed Arts Centre at Swavesey Village College.

Mr. Munds of Stansted Airport gave a very interesting presentation at the last planning meeting, the facts and figures of the proposed expansion are as follows. The passenger traffic will increase up to 8 million by 1995 with work on the new terminal starting this spring. If expansion were to be increased to 15 million this would necessitate it being taken back and debated in Parliament. The proposed building programme is scheduled for completion and to be opperational by 1990. There will be improved road and rail links including a rail link to Cambridge and the north. Anticipated increase in employment is up to 3000 by 1990 and 12000 by 1995. This will result in approx 3000-4000 new homes being required. It is not envisaged that there will be much over flying in the south Cambridgeshire area and the proposed stacking area would be over Barkway Beacon.

A reminder of the South Cambridgeshire Fun Run to be held on Monday 5th May. I have information and registration forms available for any interested persons.

All members are urged to attend this interesting meeting which will be presented with the assistance of Mrs. June Miles who visited us in January. Refreshments will be provided by the committee for a small charge. Please bring any item(s) suitable for a Handicrafts Exhibition. Do come and support your incoming committee, your presence will be appreciated.

LETTER TO THE EDITOR

I am writing to ask you to convey my sincere thanks to the readers who so generously responded to my appeal for flower pots to be used for plants to raise funds for the Muscular Dystrophy Group.

The response was both large and quick, I had hardly read my copy before the first flower pots arrived.

I now have some Zantedschia plants for sale, large indoor Lillies at one pound each. All profits to Muscular Dystrophy research.

Once again, thank you very much for your help.

Yours sincerely,

Douglas E. Adams.

PAN (PRACTICAL AID NOW)

As promised before Christmas, some information about the new arrangements for PAN. As we found that sorting and storing all the clothes you gave us before they could be passed on for use at home or abroad was proving rather a strain on the space available inside our homes, we have decided that in future we will hold a monthly coffee morning in the Church Centre to which we would ask you to bring all your used clothes. They can then be sorted on the spot, and we will aim to pass them on to the Co-Workers of Mother Teresa, W.R.V.S., Gingerbread, the Salvation Army or whoever can make use of them straightaway. This month our coffee morning will be on Tuesday 18th March from 10.00 until 11.30 in the Church Centre. If you can't get to the coffee morning, please ring any of us and we will collect any good, used clothes you would like to give us on the evening of Monday 17th March. We hope this arrangement will prove convenient for everyone, but if not please let us know and we'll think again! Our thanksto Bar Hill Church for letting us have the use of the Church Centre for our coffee morning.

We would like to invite anyone who helps us in any way, and anyone who is interested in the work of Mother Teresa, to an illustrated talk by Mrs. Denise Phillips, regional co-ordinator of the Co-Workers of Mother Teresa. This will be on Monday 10th March at 8.00pm at 34 Acorn Avenue and there will be light refreshments served. We look forward to seeing you all and to thanking you personally for all your help in this work.

If you would like to know more about the ways in which you can help in the work of PAN, please ring any of us.

PRE-SCHOOL PLAYGROUP

On the 19th of March at 8.00pm in the Village Hall, Playgroup and Toddlers will be holding the Annual General Meeting. After the election of the new committee we will be having a talk by a local representative on Save the Children, this will be followed by wine and cheese. Please do come along and support us, it promises to be an interesting and an enjoyable evening.

On behalf of the retiring committee I would like to take this opportunity to say thank you to everyone who has given their help and support during the past year, without this Playgroup would have ceased to function.

OBITUARY

ERNEST YOUNG

Mr. Ernest Young died peacefully in Addenbrookes Hospital on Sunday 12th January, and was buried in Dry Drayton Churchyard on 17th January. Although he had been ill for some time, Ernest's death came as a shock to all who knew him throughout his life. Ernest was an active Conservative and Member of Bar Hill Branch, we will all miss him greatly. He was a familiar figure canvassing at Election times in his own inimitable way when he always appeared to have all the time in the world to spare on every doorstep, and at the political suppers which he attended immediately after Choir practice in the Church next door. Love and sympathy from all in S.E. Cambridgeshire Conservative Association goes to Marie and her family.

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL COUNTY COUNCILLOR

Dear Resident,

Is the street or footpath light in your road working? A number of complaints have been received about lights which have been out of order for some time. The situation is that the County Council through its Direct Labour Organisation maintains both County Council and District Council lights visiting the area every 2 weeks in Winter and 3 weeks in Summer to check for faults which are then rectified in the following 2 or 3 week period. If the light near your house goes out you can speed the repair process by contacting me with, if possible, the letters and numbers you will find on the lamp post so that I can pass the information on to the street Lighting Department.

Much interest is being aroused throughout Cambridgeshire as a result of the current review of the Structure Plan. The Media talking in terms of new "Bar Hill(s)" somewhere in the South of the County to accommodate the increasing population. Any new Village must learn from previous developments and to aid my judgement I've taken the opportunity to visit Martlesham Heath in Suffolk which, although slightly smaller than Bar Hill also started from a Green Field Site.

The Summer Time Table of British Rail will include the introduction of the new "Sprinter" trains on some services between Cambridge, Peterborough and the Midlands. I was privileged to be able to travel on this train when it visited the Region for a special Press day. I was impressed by the considerable improvement in comfort, the reduction of noise and vibration, the smoothness of the ride and the warmth in spite of the extremely cold weather.

I'm following up a number of issues concerning Bar Hill Community Primary School, including - seeking a review of road safety measures outside the school - a review of cleaning hours allowed in view of its extremely high Community usage - I'm also pressing for an extension to the amount of hard play area available.

Please note that I was wrongly advised that the Waste Disposal Site at Fenstanton was open to the general public, I hope this did not cause you any inconvenience. The site is however, open for Trade and Commercial use.

If anyone wishes to contact me for any reason please either telephone "Careline" on Crafts Hill 80975 or write to Councillor Reynolds, 4 Pettits Close, Dry Drayton, Cambridge, CB3 8DQ.

Yours sincerely,
J. E. Reynolds

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Thursday 20th February in the Farm House.

Norman Carr

The Chairman announced with great regret the death of Councillor Norman Carr, and a moments silence was observed.

Tree felling in the Village Park

The Clerk reported that this work was now in hand. The Anglian Water Authority have agreed to make a donation towards the cost of replacement trees of a more suitable variety, and the County Council will advise on the purchase of these. Mr. Binge hopes to be able to use some of the timber from the felled trees to construct play equipment. It was also agreed to purchase a safety barrier to be sited at the end of the footpath bordering the Village Park to prevent children from running or cycling out on to the perimeter road.

Footpaths to bus stops

Mr. Reynolds reported that he has been advised by the County Council that a total of 400m of footpath would be required to link bus stops with the nearest residential road, at a cost of £12,000. The County Council have asked if the Parish Council can justify this expenditure. by reasons of road safety, and would like to hear of any incidents in which an accident was narrowly avoided. If any residents have any information on this, would they please contact their nearest parish councillor or the Clerk, Alec Green (tel. 80978).

Litter

The Council was pleased to hear of Mrs. Skelson's initiative regarding litter in the village and gives its full backing to the scheme. Full details are given elsewhere in this edition of the "News".

Library

Mr. Reynolds reported that his attempt to secure extra hours for the mobile library in Bar Hill have been unsuccessful.

The next meeting of the Parish Council will be held on Thursday 20th March at 7.30pm in the Farm House.

We have regular House Masses, and religious instruction for children of primary school age is held every Tuesday afternoon during term time in the school, from 4.00 until 4.45. We also join in many activities, both spiritual and social with Bar Hill Church.

BAR HILL GUIDES AND BROWNIES

The Bar Hill Guides and Brownies invite all parents and Friends to an OPEN EVENING at the Bar Hill School on Monday 24th March at 7 p.m. Come and join us for a cup of coffee and find out about some of our activities. We look forward to seeing you.

Guides and Brownies Supporters Committee

We are nearly one year old and our first year has been very successful. We have raised over £500 and would like to thank everyone who has supported us. Our Christmas Fayre was a great success and we hope it will become an annual event (date for your diary - this year's Christmas Fayre will be on 29th November.) The home-made mince pies were very popular, and quite delicious. Also, we are very grateful to everyone who ordered from the Webb Ivory catalogues. We shall be holding a very brief A.G.M. at the Open Evening on 24th March, when we shall report on the years events, present a financial report, and set next years committee on its way. Anyone who is interested in joining the committee will be very welcome - its a very easy and fun way of helping the Guides and Brownies in Bar Hill.

DAVE AND GERRY'S DISCO

This is the first, but hopefully not the last, newsletter keeping all our supporters in the Village informed about the progress of the new Discos being held in the Village Hall.

May I first thank you all for the tremendous support given for our first attempt in January. I must admit I was a worried man until about 9 o' clock after which I was a slightly inebriated but happy one.

Gerry and I hope to run these regularly to suit YOU. We have already had a request for 'SOLARA SEVEN' and hope to book 21st March (this coincides with Sarah's birthday on 22nd - so the lemonade will be flowing freely).

As I write this letter I am waiting for our first customers for the Valentines Day Disco - they have just arrived and are Nick Cogley and Chris Bacon from Willingham (I wonder what has happened to the locals).

If we continue to do well prices should be reduced very soon or if you prefer you could have an occasional FREE disco. Anyway let us know - after all its your Club.

I will use the Bar Hill News to inform you of future events and if there are any particular Discos you want, please let us know. Keep coming and enjoy yourselves.

Dave and Gerry

YOU

WE ARE URGENTLY SEEKING NEW LEADERS, IF YOU THINK YOU COULD HELP,
PLEASE CONTACT MIKE BRETT ON 81834 FOR FURTHER INFORMATION

BE A LITTER-BUSTER NOT A LITTER-BUG

Do you care about Bar Hill? Do you look upon it as a village with a strong community spirit or as a sprawling estate stuck in the middle of nowhere and not deserving of your care? If you subscribe to the latter viewpoint then maybe its YOU and members of your family who are disfiguring the place in which you live and in which your children are growing up.

The increased amount of litter, abandoned trolleys, and (I'm trying to be polite) dog-mess, does disfigure your surroundings and isn't going to disappear unless you are prepared to help do something about it. We don't have a litter collector in Bar Hill therefore if YOU don't pick it up, or better still take positive steps to reduce the amount being dropped daily, then you surely do deserve the result.

Speak NOW to your children, especially the 8-16 years age group and young adults in your family. A large part of the litter consists of fish/chip papers, crisp packets, chocolate and sweet wrappers, Forbuoys bags, small squash cartons, coke and beer tins - not just Tesco bags as some people might think.

There aren't many bins at present because of problems with vandalism and abuse, I hope however, that our Parish Council will try them again in the near future. Use them, pop in rubbish already on the ground - it may have been your child that threw it there! Can you honestly say that you know what your older children are up to when they are not with you?

Away from the spine paths and play areas, an additional problem occurs because of household refuse that spills from your rubbish bags on the day of collection and then blows around merrily until it comes to rest on someone else's path. Surely an obvious solution is not to put it out the day before (as lots of people do) and an easy remedy should the litter land in your vicinity..... PICK IT UP!!

I am organising a general clean-up day to be held on Saturday 15th March between 10 - 12 noon and 2 - 4 p.m. Plastic bags and a skip will be provided by the Parish Council and a member of the Maintenance team will be on hand to pick up the results of our labour. PLEASE join us in this attempt to make Bar Hill a cleaner and nicer place to live. It is now up to you!

Telephone Freda Skelson, 62 Little Meadow, 81052 or
Veronica Webb, 88 Field View, 81015
or just turn up on the day at 10 a.m. or 2 p.m. at the Farm House on the Village Green, complete with wellies and rubber gloves.

Tesco will have a team of boys out on the 15th, so we can make a real concerted attempt to clean up Bar Hill.

And what do we say to this race-apart who leave trolleys, here, there and everywhere. Very politely - take them ALL the way home so that only you have to admire them, until your next visit to Tesco when you can return what you have borrowed.

Last but definitely not least, if one of the growing number of the Campaign for Clean Shoes Brigade, henceforth known as POO BUSTERS, will step forward (being careful WHERE you step), the rest of us will be glad to hear of any ideas you might have on dealing with the dog owners who do not "Control their dog movements".
